<p><b>CHES by Championship Chess</b></p> <p>Championship Chess presents a systematic, fun way to build chess skills during chess instruction and while students play. Studies show that chess improves math, reading and problem-solving skills. Our methods connect these academic benefits to our classes.</p> <p><b>Who Can Play:</b> Any student in 1<sup>st</sup> grade and older may join. Younger students may join <u>only</u> if they know how the pieces move and capture. There can be 2 groups. For those who know how to play there must be at least 10 in the group and for those who are non-playing beginners there must be at least 8 in the group.</p> <p><b>World of Chess Online:</b> Registered families have full access to our Championship Chess Website and World of Chess. When you register add a Username and Password. This will allow every child can enter the World of Chess to watch and learn from videos and activities, compete for Achievement Cards and practice what they've learned.</p>	<p>Cost: \$220 for 13 weeks</p> <p>Payment ONLINE at: <a href="http://www.championshipchess.net">www.championshipchess.net</a></p> <p>Select "Register", "School Clubs", follow the steps to complete the form to submit payment. <i>Automatic 15% discount for each additional sibling.</i></p>
