Band and Orchestra Supply Information

Students will be assessed a fee at the beginning of the school year of approximately \$35, to cover the cost of additional supplies to be ordered by the director. Financial assistance for families undergoing financial difficulty is available in order to pay this fee.

Once instrument selections have been made, additional supplies will need to be purchased, and information about those supplies will go out at that time. Financial assistance for the purchase of

supplies is not available, but GLOBE does have a limited supply of school-owned instruments that can be rented for a reduced rate.

6th Grade Band Supply List

- **A music stand:** Here are three options, in order of sturdiness. Please choose one.
 - [Wire music stand](#)
 - [Musician's Gear Heavy Duty Folding Music Stand](#)
 - [Manhasset Music Stand](#)
- **[Tuner/metronome combo](#)** (or individual tuner and metronome devices)
 - **Students with mobile devices may add tuner and/or metronome apps but will not be allowed to use those devices during class time.** I recommend the following apps:
 - [Bandmate](#)
 - [Tonal Energy](#)

All students will begin the school year playing recorder, and Ms. Gerhardt will assist in helping your child to select an instrument over the course of the first eight weeks of the school year. Please be aware that many factors are at play when choosing the instrument that is right for your child. In addition to your child's emotional and academic maturity and physical aptitude for their instrument, consideration must be paid to the makeup of the band itself. We cannot, for instance, have 35 flute players and call ourselves a band. Rather, we need a variety of instruments representing all ranges and timbres. Your child is encouraged to seriously consider their top three choices rather than setting their heart on one instrument. Please do not rent or purchase an instrument at this time.

Instrument selection will take place once we start school in the fall. Please do not rent or purchase an instrument at this time. Students will have an opportunity to try all of the instruments and will be placed on instruments based on interest and the needs of the ensemble.
