

# JOIN THE GLOBE ACADEMY 4-H CLUB!

## WHAT IS 4-H?

4-H empowers young people to lead for a lifetime. Our programs in science, healthy living and citizenship are backed by a network of 100 public universities and a robust community of 4 H volunteers and professionals. Through hands-on learning, kids build not only confidence, creativity and curiosity, but also life skills such as leadership and resiliency to help them thrive today and tomorrow.

## 4-H OPPORTUNITIES

Georgia 4-H provides recreational and educational opportunities for 4-12th grade 4-H participants. These events include a mix of workshops and educational sessions, along with opportunities for community service and exhibits, planned and led by 4-H'ers. Recreational programs are included to allow 4-H'ers to interact with youth from all over Georgia
